BACK WITH A BITE.

The all-new VIVA is entirely different to anything you might recall of the old Viva.

Stylish and compact, yet surprisingly roomy, New VIVA brings you clever design and big car features with small car efficiency at an incredibly affordable price.

There’s smart technology too, as standard. City Mode steering for tight inner city manoeuvres, lane departure warning to keep you on track and even lights that show the way around corners.

New VIVA features also include cruise control, electronic climate control and no less than six airbags. And, with options like an electric glass sunroof and heating for the front seats and steering wheel, it can handle all varieties of British weather.

Add a punchy, super-efficient 1.0 litre engine that’s great for the city as well as the open road and you’ll find that New VIVA gives you a truly smart run for your money.

So come and discover New VIVA. It may share a name with the old Viva, but the rest is simply history.

LOOKS GOOD, DOES GOOD.

STYLISH AND SMART DESIGN

Designed and built with practicality, solidity and safety in mind, the new VIVA is more than just a pretty face. So while it looks smart, it’s designed even smarter with features to make life both easier and safer.

// Stylish five-door design, made for practicality
// Safe, solid and purposeful out on the road
// Keep safe and be seen with daytime running lights
// Open up a window on the world with an optional electric glass sunroof
HIGH CLASS THINKING.

DESIGNED WITH A BIG CAR FEEL

The new VIVA interior is designed with the distinctive feel of a larger, more exclusive car. Focussed on driver and passenger well being, you’ll enjoy the reassuring quality feel throughout – with all the creature comforts on offer, wherever you’re off to.

// Feel firmly in control at the wheel
// Enjoy every journey in total comfort
// Relax and take in the view from the light and spacious interior
EXCEPTIONAL STANDARDS.

INNOVATIVE FEATURES AND LUXURY OPTIONS

When we designed the new VIVA, our approach was simple: more is more. Driving this car, you’re surrounded by smart technology for your safety and convenience, with additional options to make life even more comfortable.

1. **Lane departure warning.** Lets you know if you start drifting out of your lane without signalling first to help keep you on the straight and narrow.

2. **Five doors, loads of room and clever design inside.** Gives you quick and simple access for five people with plenty of storage options.

3. **Cruise control with speed limiter.** Takes the effort out of motorway drives and keeps you inside the speed limit. Ideal for safely negotiating those inevitable roadwork speed restrictions.

4. **Heated door mirrors.** Essential for those frosty early morning starts. Add the optional Winter Pack for a heated leather steering wheel and seats for a toasty welcome.

5. **Fog lights with cornering light function.** When you indicate or make a sharp turn, the cornering lights turn on automatically to light your way. So you stay safe and sound on those dark nights.

6. **City Mode.** Lightens the steering to make tight, low speed turns easier when you’re parking. Add the optional rear parking distance sensors and you won’t believe how easy it is to park and manoeuvre into those tight parking spaces.
HIGH FIVE.

PRACTICAL FIVE-DOOR DESIGN

From the wheels up, the new VIVA has been designed with smart attention to detail. Every model gives you the convenience of five doors with a versatile, usable loadspace that’s simple to access for anything from a weekly shop to weekend adventures.

// Though small on the outside, the new VIVA is big on the inside, with loads of room for everyone and all your essentials

// Easier for everyone to get on board with a five-door design

// Made for busy lifestyles with flexible seating and storage options

// Fit long luggage and bulky loads in the rear space with a 60/40 seat split
AHEAD OF THE CURVES.
MADE FOR BUSY LIVES AND SMARTER DRIVING

With an efficient engine and intelligent driving technologies like City Mode, the new VIVA is built for life on the move.

Ideally sized for inner city and urban driving, it’s a car with perfect poise and handling that feels safe, solid and purposeful on every turn.

// A powerful new 1.0 litre engine with advanced technology means you can be confident in any situation when out on the road

// City Mode is a class-leading technology that lightens the power steering and improves manoeuvrability at lower speeds, all at the touch of a button – perfect for urban driving

// A joy to drive however long your journey and wherever you’re off to
PENNY PINCHING PERFORMANCE.

INTELLIGENT FUEL ECONOMY AND ENGINE EMISSIONS

The new VIVA features the very latest in our new generation of low-emission, fuel-efficient engines that help to significantly lower your running costs, meaning less visits to the fuel pump and more money in your pocket.

// You won’t pay a penny on road tax because the punchy 1.0 litre petrol engine emits just 99g/km of CO₂ *

// There’s less trips to the fuel pump with a combined mpg of 65.7 for a whopping 460-mile range*

// You’ll feel more power than you expect with a 75PS engine that’s light and nimble

// Drive smoothly and efficiently with a five-speed manual gearbox for confident cruising

*1.0i SE ecoFLEX model only.

DRIVE LIKE A PRO.

When you’re turning into a tricky parking spot, City Mode is a handy feature that lightens the new VIVA’s steering to make everything a breeze. You can also park faster in those tight spaces with the help of optional rear parking distance sensors, a feature only available in a handful of cars in this class.

Parking on a slope is effortless in a new VIVA with hill start assist to help you pull away smoothly without any roll back. And, with cruise control as standard, you can safely negotiate speed restrictions whenever and wherever they crop up. Problems solved.

// City Mode gives your steering extra power for easier parking and tight city centre manoeuvres

// Optional rear parking distance sensors help you park confidently with sensors to warn of objects behind

// Hill start assist helps you pull away on a hill smoothly without rolling back downhill

// Cruise control with speed limiter keeps you safely within the speed limit

DRIVER SAFETY FEATURES

A luxury feature in the small-car category, lane departure warning prevents you drifting out of your lane by mistake with a simple beep, while cornering lights illuminate your turn as you steer into a corner.

There’s also a tyre pressure monitoring system to automatically check the safety of your tyres – a simple yet clever safety feature that’s typical of New VIVA’s attention to detail.

// Get alerted if you drift from a lane without signalling
// See clearer into your turns at night with automatic cornering lights
// Stay safe on the road with built-in tyre pressure monitoring
// Other New VIVA safety features include electronic stability programme
WIRELESS FOR SOUND.

CONNECTED LISTENING

Out and about in the new VIVA, enjoy all your favourite radio shows, music and podcasts with a stereo radio that features an auxiliary input to simply plug in your smartphone or MP3 player. Steering wheel mounted audio controls ensure you can keep your eyes on the road too.

You can also make hands-free phone calls and stream music wirelessly if you choose an SL model, which features Bluetooth® connectivity and a USB connection with iPod control.*

// Plug your phone or devices into the audio unit for a world of entertainment
// Steering wheel mounted audio controls are standard on all models
// Upgrade to the Bluetooth® audio unit for hands-free calls and music streaming

*Optional at extra cost on SE models.
Standard features include:
// Jet Black Stardust cloth seat trim
