

AZURE T

BENTLEY

A BREATHTAKING CONVERTIBLE  
WITH A POWERFUL HERITAGE.

Luxury and power is an intoxicating mix; one which the Azure has so naturally perfected. Now comes the Azure T. All the elegance, fluid lines and hand craftsmanship of the Azure, but with a new potency that makes it more desirable than ever.

A sporting pedigree that can be traced back to a celebrated era of Bentley design reflected in its muscular, imposing stance. Yet this is an unquestionably contemporary car; a luxurious British masterpiece in the finest tradition. From its distinctive, confident presence through to the sophisticated styling of the interior creating a pure luxury open-top experience for four companions.

This is the most exclusive convertible. This is sheer exhilaration. This is the Azure T.

## IT'S TIME TO SET YOUR SENSES RACING.

A rare blend of grace and potency, the Azure T exists to be driven. With passion.

This is a car that bestows a unique sense of freedom; the infinite space of the sky matched by the seemingly endless reserves of power that only a Bentley can unleash. The indescribable feeling of the wave of torque. 1000Nm (738 lb-ft) released by the iconic 6¾ litre twin-turbocharged V8 engine. Now with the heightened potential of 500bhp (373kW) and the sheer exhilaration of reaching 60mph in just 5.2 seconds (0-100km/h in 5.5 seconds), with a top speed of 179mph (288km/h). A formidable force, perfectly balanced to assure and inspire.

A performance that is a pleasure to behold; and something else to experience.

REFINED DESIGN THAT  
SURROUNDS YOU IN LUXURY.

Style is everything with the Azure T. Its sleek, dynamic body revealing its own distinct personality; the dark tint matrix grille, front wing vents, 'Jewel' fuel filler cap and beautifully sculpted Flying 'B' mascot. A striking form enhanced by the 20" 5-spoke wheels and tyres uniting the assured handling of Arnage T.

Then at the touch of a button the impeccably tailored roof effortlessly slips away to reveal an exquisite interior. Where the diamond quilting of the leather seats and doors, and the striking black instrument panels encased in the engine-turned aluminium fascia, point to a sporting bloodline. A feeling accentuated by details such as the knurled chrome gear lever and sports foot-pedals.

The perfect combination: elegance and presence.
